Luxury Spiral Staircase Type “Cupello”

- The Cupello is a distinctive range of superior quality staircases blending made-to-measure Italian design with the ease of installation gained from off-the-peg kits.
- The standard staircase fits a floor-to-floor total height of 2520-2760mm with 11 treads + landing platform.
- Extra treads are available to increase floor-to-floor height to a maximum of 3680mm.
- Designed for heavy duty use, the Cupello spiral staircase is straightforward to assemble and is constructed from high quality materials throughout.
- The balusters and steel centre column risers are finished in a high quality powder coating, which is durable and maintenance free.
- The beech wood handrail is standard.
- The 40mm thick treads are manufactured from solid beech with a choice of standard finishes - natural beech, light or dark walnut, mahogany, cherry, wengé, bleached white, smoke, taupe and oak.
- Available with white, grey, taupe or black standard metalwork finishes.
- The triangular landing platform is included.
- This beautiful staircase and its accessories are manufactured to order.
- Available in diameters: 1100, 1200, 1300, 1400, 1500, 1600, 1700, 1800, 1900, 2000, 2100 and 2200mm.
- Matching balustrades are available for staircase openings, landings and galleries.
- The stairwell opening needs to be at least 50mm larger than the diameter of the staircase.
- Can be installed clockwise or anticlockwise.
- We recommend customers consult their building control office prior to installing any staircase to check that it fully meets their requirements.
- A complete easy to follow installation guide is provided.
- Please call or email for design and/or configuration assistance.
